1.2 DEFINITIONS

- a. "The Contract" means the agreement entered into between the EnviroServ and the awarded Supplier, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein. A contract will stem from this RFP/Q.
- b. "The Contract Price" means the price payable to the Supplier under the Contract for the full and proper performance of its contractual obligations.
- c. "The Goods" means all of the equipment, services, works and/or other materials, which the Supplier is required to supply to the Procuring entity under the Contract.
- d. "EnviroServ" means the organization or procuring entity purchasing the goods under this Contract i.e ENVIROSERV WASTE MANAGEMENT (PTY) LIMITED.
- e. "The Supplier" means the individual or firm supplying the goods under this Contract.
- f. "Ex-Stock" means a product or service can supplied immediately without any delay manufacturing lead time.

1.3 SCOPE OF WORK

a. Purpose

EnviroServ invites suitably qualified and experienced suppliers to submit proposals for the Supply, Repair, Reconditioning, Testing and Technical Support of Air Brake Systems and Components for EnviroServ fleet operating within Gauteng. The purpose of this Request for Tender (RFT) is to establish a supply arrangement with supplier(s) capable of providing quality products, reliable service, technical support, and competitive pricing in accordance with EnviroServ's operational requirements.

The detailed list of required materials is provided in **Annexure C**, which forms an integral part of this Scope of Work. Tenderers shall submit pricing and all supporting information for the items listed in Annexure C.

1.4 RFP PROCESS

The following timeline table outlines the milestones and their respective due dates:

Milestone	Date
Advertisement period of RFP	10 September 2026
Site Briefing	15 September 2026
Response submitted by	25 September 2026
Adjudication	29 - 30 September 2026
Extend offer/s and sign Contract/s / SLA	TBA
New Contract effective date	TBA

1.5 SUBMISSION REQUIREMENTS

All Suppliers shall include the following information and documentation with their offer and where copies are attached they are to be certified:

- a. Completed RFP/Q document
- b. Code of Good Practice – Suppliers (As attached in Annexure A)
- c. Supplier Questionnaire (As attached in Annexure B)
- d. Written Power of Attorney of the signatory of the offer to commit the Supplier
- e. Proof of business address
- f. Accredited BBBEE status documentation
- g. Tax clearance certificate
- h. Price Schedule and Scope of Work (As attached in Annexure C)
- i. Terms and Conditions of Trade (As attached in Annexure D)
- j. Company Registration Documents
- k. Tender Submission Form (As attached in Annexure E)
- l. COID Letter of good standing

Non-compliance to the requirements will result in an automatic disqualification as a bidder.

Submission of fraudulent documentation will also result in disqualification.

1.6 RULES AND REGULATIONS

- a. All documents relating to the offer will be in the English Language;
- b. The Supplier is expected to examine all instructions, forms, terms, and specifications in the tender documents. Failure to furnish all information required by the RFP/Q documents or to submit an offer not substantially responsive to the RFP/Q documents in every respect will be at the Bidder's risk and may result in the rejection of its offer;
- c. The Bidder shall prepare one (1) original set of documents and clearly mark these as "ORIGINAL". **If Applicable.**
- d. **This ORIGINAL documentation shall be typed/written in indelible ink (black) and shall be signed by a person (or persons) duly authorised to sign on behalf of the Supplier. All pages of the tender where entries or amendments have been made shall be initialed by the person (or persons) signing it.**
- e. This ORIGINAL bid documentation shall be sealed in an envelope.**(If Applicable)**
- f. This sealed envelope will be addressed to EnviroServ's address provided in this document with the Bidder's name and RFP/Q reference number reflected. The envelope must also be marked with a clear warning NOT TO OPEN before the specified date and time;**(If Applicable)**
- g. The tender shall contain no alterations or additions, except those who comply with instructions by EnviroServ, or as necessary to correct errors by the bidder in which case such corrections shall be initialed by the person (or persons) signing the tender;
- h. EnviroServ may extend the deadline of submission of offers by issuing an amendment in which case all rights and obligations of EnviroServ and the bidders previously subject to the original deadline, will then be subject to the new deadline;
- i. NO LATE submissions will be accepted;
- j. Suppliers may modify or withdraw their submission by giving notice in writing before the deadline;
- k. Offers shall remain valid for 30 days or more after date of opening; Offers valid for a shorter period will be rejected and considered non responsive.
- l. No information shall be disclosed to Suppliers or any other persons prior to official adjudication process. Any effort by a bidder to influence EnviroServ's process of bid-awarding decisions may result in the rejection of his bid;
- m. The Supplier shall bear all costs associated with the preparation and submission of its offer, and the procuring entity, will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the RFP/Q process;
- n. EnviroServ will determine the substantial responsiveness of each offer to the RFP/Q documents, substantially responsive tender is one, which conforms to all the terms and conditions of the RFP/Q documents without material deviations. There is no recourse should an offer be disqualified.
- o. EnviroServ will determine to its satisfaction whether a Supplier is qualified to perform the work satisfactorily. The determination will take into account the Supplier's financial, technical, and contractual capabilities. It will be based upon an examination of the documentary evidence submitted.
- p. EnviroServ reserves the right to accept or reject any offer, lowest quote or otherwise, and to annul the RFP/Q process and reject all offers at any time prior to contract award, without thereby incurring any liability to the affected Supplier on the grounds for the procuring entity's action. EnviroServ reserves it right to annul the procurement process an anytime.
- q. The bidder must reveal it's national foot print in South Africa by naming each branch/depot in every province and/or other national representation agencies, etc.;

- r. EnviroServ will notify the successful Supplier in writing that its offer has been accepted. The notification of award will signify the formation of the Contract but will have to wait until the contract is finally signed by both parties. Simultaneously other Suppliers shall be notified that their offers have not been successful.
- s. There is NO APPEAL process and EnviroServ's decision will be final.
- t. This RFP/Q trading terms and conditions supercedes the Suppliers trading terms and conditions.

1.7 EQUIPMENT ORIGIN, SPECIFICATIONS AND DRAWINGS (IF APPLICABLE)

- a. All equipment to be supplied and installed under the contract shall have their origin in eligible source countries.
- b. For purposes of this clause, "origin" means the place where the equipment(s) are produced. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially-recognized product results that is substantially different in basic characteristics or in purpose or utility from its components.
- c. The origin of equipment is distinct from the nationality of the Supplier and shall be treated thus in the evaluation of the RFP/Q.
- d. Suppliers are requested to submit with their offers the detailed specifications, drawings, catalogues, etc for the products they intend to supply.
- e. Suppliers must indicate on the specifications sheets whether the equipment offered comply with each specific requirement.
- f. A clause-by-clause commentary on EnviroServ's Technical Specifications demonstrating substantial responsiveness of the goods and service to those specifications, or a statement of deviations and exceptions to the provisions of the Technical Specifications and an explanation of how any such deviation from provided specifications will still satisfy the requirements as set.
- g. All the dimensions and capacities of the equipment to be supplied shall not be less than those required in these specifications. Deviations from the basic requirements, if any, shall be explained in detail in writing with the offer, with supporting data such as calculation sheets, etc. and an explanation whether the equipment can meet stated requirements even with such deviations. EnviroServ reserves the right to reject the equipment, if such deviations shall be found critical to the use and operation of the equipment and hence making the equipment to not meet requirements.

1.8 GENERAL TERMS AND CONDITIONS OF CONTRACT

a. Application

These General Conditions shall apply in all Contracts made by EnviroServ.

b. Standards

The Goods supplied under this RFP/Q shall conform to the standards mentioned in the Technical Specifications as per Annexure.

c. Use of Documents and Information

The Supplier shall not, without EnviroServ's prior written consent, make use or distribute any document or information in this RFP/Q. All documents, other than the Supplier Questionnaire itself, shall remain the property of EnviroServ.

d. Patent Rights

The Supplier shall indemnify EnviroServ against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or services supplied.

e. Inspection and Tests

EnviroServ or its representative shall have the right to inspect and/or to test the equipment to confirm their conformity to the technical specifications. EnviroServ shall notify the Supplier in writing in a timely manner, of the identity of any representatives retained for these purposes.

The inspections and tests may be conducted on the premises of the Supplier or even at EnviroServ's premises. Should any inspected or tested equipment fail to conform to the specifications, the EnviroServ may reject the equipment, and the Supplier shall either replace the rejected equipment or make alterations necessary to make specification requirements free of costs to EnviroServ. This rejection may happen any time before expiry of the warranty offered by the Supplier of the goods.

EnviroServ's right to inspect, test and where necessary, reject the equipment after the equipment arrival and installation shall in no way be limited or waived by reason of the equipment having previously been inspected, tested and passed by EnviroServ or its representative prior to or after the equipment delivery.

f. Delivery and Documents

Delivery of the equipment, documents, installation and maintenance of the same shall be made by the Supplier in accordance with the terms specified by EnviroServ.

Suppliers must ensure the shortest possible delivery period of the equipment. Delivery period will be an important evaluation criterion and the responsive firm offering shortest delivery period will gain an advantage.

g. Pricing and Payment

Prices quoted by the Supplier shall remain fixed during the Supplier's performance of the contract. An offer submitted with an adjustable price quotation will be treated as non-responsive and will be rejected unless otherwise agreed by the parties. Prices indicated on the Price Schedule shall be the cost of the goods and any incidental works/services including all duties, VAT and other taxes. Payment of goods and services will be 45 or 60 days from statement.

h. Termination for Default

EnviroServ may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, terminate the contract in whole or in part:

- if the Supplier fails to deliver any or all of the equipment within the period specified in the Contract, or within any extension thereof granted by EnviroServ
- if the Supplier fails to perform any other obligation(s)
- if the Supplier, in the judgment of the EnviroServ has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

In the event that EnviroServ terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, equipment, works and services similar to those undelivered, and the Supplier shall be liable for any excess costs for such similar equipment.

i. Termination for convenience

EnviroServ by way of written notice may terminate the contract in whole or in part, at any time for its convenience. The notice of termination shall specify that the termination is for the EnviroServ convenience, the extent to which performance of the Supplier of the contract is terminated and the date on which such termination becomes effective. No compensation will be payable for termination of contract.

j. Delivery terms

Goods and services must be delivered or performed at EnviroServ sites.. EnviroServ prefers Suppliers to supply all regions. EnviroServ may elect to split the contract to satisfy its needs.(If Applicable)

k. Commissioning

Test runs and eventual equipment commissioning (if applicable) will be done by the Supplier and a commissioning certificate signed by both parties on agreement between the two parties that the equipment has performed to expectations

l. Warranty

A warranty declaration of at least 1 year must be included **(if applicable)**

m. Technical support

Suppliers must include the after sales service arrangement, including technical support services, availability of spare parts, etc.

n. Agency

The Supplier shall attach documentary proof of appointment as an agent of the original equipment manufacturer through the manufacturer's authorization form duly signed by the manufacturer and on manufacturer's letterhead. The Supplier shall also elect its own agent however, they shall remain liable for all duties and obligations according to the contract.

1. Purpose

EnviroServ intends to appoint a suitably qualified and experienced service provider to supply, repair, refurbish, recondition, overhaul, test and provide technical support for air brake systems and associated pneumatic components used on the Company's heavy mobile equipment, waste collection vehicles, trailers and commercial fleet operating within Gauteng.

The appointed supplier shall provide a safe, reliable, cost-effective and responsive service that minimizes equipment downtime while ensuring all repaired and supplied components comply with OEM specifications, applicable South African legislation and recognized industry standards.

2. Scope of Services

The successful supplier shall provide, but not be limited to, the following services:

3. Supply of Components

- Supply of new OEM air brake components.
- Supply of approved OEM-equivalent replacement components where permitted by EnviroServ.
- Supply of consumables, repair kits, seal kits and associated pneumatic accessories.
- Supply of obsolete or hard-to-source components where available.
- Supply of exchange units where applicable.

2.2 Repair and Reconditioning

The supplier shall undertake:

- Complete inspection and condition assessment.
- Strip, clean and inspect components.
- Fault diagnosis and root cause analysis.
- Repair and refurbishment.
- Reconditioning and overhaul.
- Replacement of worn components.
- Pressure and functional testing.
- Calibration where required.
- Final quality inspection before dispatch.

2.3 Components Covered

The scope includes, but is not limited to:

- Air compressors
- Air dryers
- Air dryer cartridges
- Multi-circuit protection valves
- Brake boosters
- Brake chambers
- Tri-stop brake chambers
- Relay valves
- Foot brake valves
- Hand control valves
- Quick release valves
- Load sensing valves
- Pressure protection valves
- Trailer control valves
- Air governors
- Air reservoirs
- Pneumatic valves
- Air regulators
- Brake actuators
- Brake callipers (where applicable)
- Slack adjusters
- Air brake hoses
- Air pipes
- Fittings
- Couplings
- Connectors
- Repair kits
- Seal kits
- Valve assemblies
- Air brake accessories
- Any additional air brake system components utilized by EnviroServ.

2.4 Technical Support

The supplier shall provide:

- Technical advice.
- Product application support.
- Fault finding assistance.
- Root cause investigations.
- Failure analysis reports.
- Engineering recommendations.
- On-site technical support where required.
- Product improvement recommendations.

2.5 Emergency Breakdown Support

The supplier shall:

- Provide emergency breakdown assistance.
- Prioritise urgent operational requirements.
- Maintain adequate resources to support emergency repairs.

- Provide expedited collection and delivery where required.

2.6 Collection and Delivery

The supplier shall provide collection and delivery services to designated EnviroServ facilities within Gauteng.

3. Quality Requirements

The supplier shall ensure:

- All repairs comply with OEM specifications.
- Components are fully tested before delivery.
- Quality inspection records are maintained.
- Defective workmanship is rectified at no additional cost.
- Components are supplied free from defects.

4. Warranty

The successful supplier shall provide written warranties covering:

- Reconditioned components.
- Repaired components.
- New components supplied.
- Replacement workmanship.

Warranty periods shall be clearly stated in the proposal.

5. Service Levels

The supplier shall demonstrate the ability to:

- Meet agreed turnaround times.
- Maintain adequate stock availability.
- Respond promptly to urgent requests.
- Maintain high service reliability.
- Minimise vehicle and equipment downtime.

6. Health, Safety and Environmental Compliance

The supplier shall comply with:

- Occupational Health and Safety Act.
- Environmental legislation.
- Hazardous waste disposal requirements.
- EnviroServ Life Saving Rules.
- Site-specific safety requirements.
- All applicable statutory regulations.

7. Reporting Requirements

The supplier shall provide monthly reports detailing:

- Components repaired.
- Components supplied.
- Turnaround times.
- Warranty claims.
- Repeat failures.

- Emergency call-outs.
- Service performance.
- Outstanding repairs.
- Cost analysis.
- Improvement opportunities.

8. Key Performance Indicators (KPIs)

The contract shall include measurable KPIs, including:

- Turnaround time.
- On-time delivery.
- First-time repair success rate.
- Product quality.
- Warranty performance.
- Repeat failure rate.
- Emergency response time.
- Technical support responsiveness.
- Customer satisfaction.
- Invoice accuracy.
- Pricing compliance.
- SHEQ compliance.
- Contract compliance.

9. Value-Added Services

Suppliers are encouraged to propose value-added initiatives, including:

- Condition monitoring.
- Predictive maintenance solutions.
- Inventory optimisation.
- Technical training for EnviroServ personnel.
- Cost reduction initiatives.
- Product standardisation.
- Continuous improvement programs.
- Digital repair tracking and reporting.
- Sustainability initiatives.

10. Contract Objectives

The objectives of this contract are to:

- Ensure continuity of critical fleet operations.
- Improve equipment reliability and availability.
- Reduce equipment downtime.
- Improve repair quality.
- Achieve competitive pricing through market testing.
- Strengthen supplier performance management.
- Improve governance through measurable KPIs.
- Establish a strategic partnership focused on operational excellence and continuous improvement.
