

## Client Newsletter

April 2017

The year is flying past and it is hard to believe that in just a few weeks, we will be halfway through 2017. With so many public and school holidays in April, many people took the chance to have a few days' well deserved break and we hope those who did, have returned renewed.

### Upskilling the communities in which we operate

Speaking of fresh starts, EnviroServ is proud to have given unemployed youth a helping hand into the working world by sponsoring 27 young adults in Nelson Mandela Bay and Cape Town to complete a Business Administration Learnership.

From left to right : Mr. S. P Naidoo - service provider LNR Training and development Pty Ltd, Loretta Yamata - a disabled learner, Clr M Dano - of Ward 59 in Motherwell, Lerato Andries - a disabled learner, Ernst Pienaar - EnviroServ's Regional Manager in the Eastern Cape, Angelo Mitchell - a learner

The learnership programme started in late 2015 with 55 learners from around the country. Of this number, 46 graduates were employed by EnviroServ divisions on fixed term contracts. Due to the programme's success, EnviroServ has expanded it to Port Elizabeth for the first time.

From left to right : Tamara Ngcuka - Facilitator, Mr SP Naidoo - Service Provider, Dinile Ziyande - Learner, Francois Du Plessis - Regional Manager Western Cape, Lubabalo Makeleni - Councillor Du-noon

EnviroServ will pay all their tuition costs for the year of around R45 000 each. Part of our skills development strategy is to provide learnerships for employees but also unemployed people in the communities in which we operate. This is one of the ways in which we give back and at the same time we hope to address scarce and critical skills within the sector and industry. We wish the learners all the best during their 12-month national certificate.
