

Client Newsletter

January 2017

On behalf of all at EnviroServ, I would like to wish all our clients a happy and prosperous new year. The working year has kicked off with a flourish, making the summer holidays seem like a distant memory. I trust you all had an enjoyable break and spent meaningful time with family and friends.

EnviroServ always endeavours to give back to the communities in which we operate. In December last year we were able to step forward and help an annual soccer tournament near our Shongweni Landfill from being cancelled due to a lack of funding.

The two-day soccer tournament took place in Kwandengezi and saw eight teams battling it out in front of crowds of up to 1000 spectators.

The home advantaged appeared to help the Young Boys Academy of Kwandengezi, who took first place, while the V-Section also of Kwandengezi were the runners-up. The winning teams each walked away with an EnviroServ branded soccer kit, a trophy and medals for each player as well as R1000 for the winning team and R500 for the runners-up.

In Port Elizabeth we sponsored a heart-warming Christmas party for HIV positive teenagers at the Dora Nginza Paediatric Wellness Clinic. Along with gifts and a lunch, the youngsters were given inspiring messages of hope from two speakers. In Johannesburg, EnviroServ brought Christmas cheer to children at Zandi's Angels, a home for abandoned children which we support.

Of course, without your support we would not be in a position to do these and many other good deeds. We would like to thank you for your business during 2016. We really appreciate your support and look forward to growing our relationship.
