September 2018

The premier showcase of best practice African waste management solutions will take place from 15 to 19 October 2018 at Emperor's Palace in Johannesburg, South Africa. Yes, it is that time of year again, for WasteCon, the Waste Conference and Exhibition. This year is the 24th edition of the Conference and you are invited to come and visit EnviroServ at stand numbers 11 and 32. The theme for this year's WasteCon is "Implementing the Waste Hierarchy" - come and chat to our sales team about how EnviroServ can help your business do just this.

**Why you can't afford to miss WasteCon 2018...
3 DAYS, 69 PRESENTATIONS IN 3 PARALLEL SESSIONS.**

Topics cover the entire waste management spectrum, and include:

- The Waste Hierarchy and Circular Economy,
- Zero Waste to Landfill,
- Waste to Energy, Biogas,
- Municipal Waste Management and Challenges, Recycling... and many more!

Tufflex processes both post-industrial and post-consumer polyolefin plastic waste. Geocycle is a leading provider of industrial and municipal waste management services worldwide. Mpact is one of the leading paper and plastics recyclers in SA.
